

PANIL has submitted its comments on the EIR to the City. We need you to do the following:

~~~~~

Email Darin Ranelletti  
Planner III  
City of Oakland, Planning and Zoning Division  
[dranelletti@oaklandnet.com](mailto:dranelletti@oaklandnet.com)

either to support PANIL's comments and/or submit your own. If you can, copy Sandra Lee Lawson, [sandraleelawson@gmail.com](mailto:sandraleelawson@gmail.com), on your email. Ideally, please do this by September 18th. If not by that time, then by 12:00 noon on Sunday, September 22nd.

**Suggested text:**

I live near the Safeway Redevelopment Project. I am very concerned about the prospect of cut-through traffic threatening the safety of our neighborhood. It is imperative that the City impose clear, specific, and enforceable requirements on the Safeway Development to ensure that traffic studies are done and any necessary mitigation implemented. I support PANIL's efforts to accomplish this.

And/or sign the petition and drop it off on the porch of one of the following homes:

- 4237 Gilbert St.
- 4352 Montgomery St.
- 4149 Howe St.

Please do this by 12:00 noon, Sunday, September 22nd. You may also want to add signatures from your neighbors.

Come out to the  
**Planning Commission Hearing**  
**Wednesday, September 25th**  
**6:00pm**  
City Council Chambers, City Hall, One Frank Ogawa Plaza

The more neighbors we have in attendance, the stronger our presence and influence. We need people to sign up for a spot to speak and then to cede their time to a few neighbors who will have prepared comments. You must stay until the end of the meeting. The more bodies the better. Please plan on coming to the hearing. Parking at the Clay St garage is validated.

Our next PANIL meeting to discuss Safeway is Sunday, September 22nd, in the 6th floor conference room at Piedmont Gardens, at 7:00 pm. The purpose of this meeting is to discuss the 9/20 staff report to the Commission and plan our presentation to the Commission on 9/25.
